V lese bývali tri prasiatka.

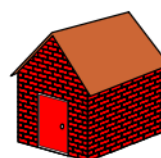

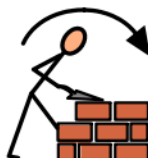

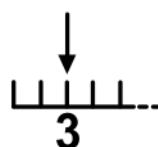

Báli sa vlka. Postavili si domčeky.

Prvé prasiatko si postavilo slamený domček.

Druhé prasiatko si postavilo drevený domček.

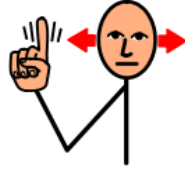

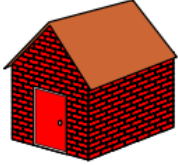

Tretie prasiatko si postavilo tehlový domček.

Vlk odfúkol slamený domček.

Vlk odfúkol drevený domček.

Tehlový domček nemohol odfúknut'.

Vošiel dolu komínom.

V krbe horel oheň.

Vlk sa popálil a utiekol z lesa.

Prasiatka sa tešili.
